Dear Potential Sponsor,

In a full-service life plan community, we understand that seniors deserve a choice through all levels of care. Research shows that with seniors & the differently abled there is a distinct correlation between cognitive ability & having the opportunity to choose. This pertains to the clothes we wear, food we eat & the consumer goods we choose.

Nayaz Variety was designed to bridge the gap with our delivery & shopping services in this niche community in addition to enhancing connection and engagement with residents, staff & caretakers.

Nayaz Inc invites you to support our **HOLIDAY Care Package** campaign! Our team plans to support **1000 SENIORS** in the tri-state with our multi-purpose care packages. Nayaz Variety is minority & women owned company, focused on getting seniors, nursing homes residents & assisted living residents daily needed & wanted items.

You are well-aware of social isolation being one of the major focuses in the senior community. During the holiday season we find that seniors residing at home independently & nursing facilities are at risk of becoming increasingly depressed. Unfortunately, the 2020 pandemic has also affected the mental and emotional stability of many.

Through our **Care Package** campaign, we hope to bring joy to seniors that may be without close family or friends and limited visitors due to re-occurring COVID-19 restrictions. We ask that you select a sponsorship package to support our cause:

- ☐ A **\$2,500** sponsorship will provide 55-125 Seniors with a care package.
- ☐ A **\$1,500** sponsorship will provide 33-75 Seniors with a care package.
- ☐ A **\$500** sponsorship will provide 11-25 Seniors with a care package.
- ☐ Your Preferred amount \$.

All donations can be made at www.nayazvariety.com/donate/
